

How to locate your machine serial number

The serial number is a unique sequence of numbers and/or letters which is used to identify your product.

The serial number for your multifunctional printer will be 11 characters. This will be printed on a sticker which can be found on the right-hand side of the printer.

機身編號是獨有的數字和/或字母編號以識別您的產品。

多功能打印機的機身編號將為 11 個字元並打印在白色標籤上，你可以機身的右側找到有關標籤。

Example 例子:
